

The years bring an inner peace and development of a personal, radiant glow. A wealth of experiences and surprises lead the way to this inner harmony. A fulfilled life undeniably manifests itself in one's face. Mature skin deserves intensive care. The **Dr Hauschka** regenerating care line is the ideal solution.

Talk and Workshop

11:00 a.m. - 12:30 p.m.

At The Centre, Hythe

£3,00 booking fee.

The **Dr Hauschka** Skin Care range does not regard the skin superficially but understands its integral role in the health of the human being. The products do not create dependencies as other skincare ranges can, but support the natural functioning of the skin through all ages of life.

Healthy skin is beautiful skin.
